# Pilkington **Insulight™** Sun with ScreenLine® blinds

## Comfort and control for your home.

Pilkington **Insulight™** Sun with ScreenLine® blinds is an advanced tilting and lifting Venetian blind system designed specifically for domestic applications, and is the ideal choice for conservatories, kitchens or bathrooms as well as many other applications such as internal partitioning.

It offers outstanding control against glare and a build up of heat, and is operated by an external drive system enabling the homeowner to regulate their own comfort.

The slim integral blind is sealed within the insulated glazing unit, so it will never get dirty and cannot be damaged.

## Benefits

- Manually operated for precise control
- Blinds can be raised or lowered to suit the weather conditions
- Blinds can be tilted to regulate precisely the level of light and heat entering the home
- Unbeatable protection against glare and build-up of heat
- Cannot get dirty or dusty
- Slats cannot be damaged
- Can be combined with a range of toughened glass including Pilkington **Optifloat™**, Pilkington **K Glass™** and Pilkington Texture Glass
- Choice of coloured slats available - white, cream and silver

Alternative options are available. Please ask your representative for details.

## Dimensions

Sizes (mm)	Min	Max*
Width	300	1000
Height	300	2000

\*Alternative dimensions available on application.

## Operation

Cord allows precise control of raise/lower and tilt mechanism

## Applications

- Suitable for all vertical window applications
- Ideal for conservatories, kitchens and bathrooms
- Can be used for internal partitioning where variable privacy is needed
